2. Composition/ information on Ingredients :

Composition
Chemical Identity

Citrus Aurantium Dulcis Seed Oil
Oily Liquid

3. Hazards Identification :

3.1 Classification of the substance or mixture

Classification according to regulation (67/548/eec)

Classification according to regulation (EU1272/2008)

This product is not dangerous according to REACH Regulation 1907/2006.

This product does not belong to any list of substances supposedly hazardous to human or animal health according to EU Regulation 1272/2008 & any further amendments nor to those having known exposition limits. Care should be taken when handling hot oil as it constitute a burn hazard. Spills can constitute a slippage hazard.

3.2 Label Elements Labeling according to Regulation (EC) No 1272/2008

4. First Aid Measures :

4.1 Description of first aid measures

General Information
After inhalation

After Ingestion
After skin contact
After Eye Contact

Always remove contaminated clothing immediately.
Not expected for this particular product, however always best to avoid proactive inhalation.
No instruction as this is a non-toxic product.
No instruction as this is a non-toxic product.
Wash immediately & thoroughly with clean tap water.

4.2 Most important symptoms and effects, both acute and delayed

None

4.3 Indication of any immediate medical attention and special treatment needed

Not Applicable

5. Fire Fighting Measures :

5.1 Extinguishing media

Suitable extinguishing agents

Foam, Co2, Dry Chemical Powder.

5.2 Special hazards arising from the substance or mixture

This product may only form ignitable mixtures or burn above the flash point. Dangerous combustion products include smoke & oxides of carbon.

5.3 Advice for fire-fighters

Standard. Wear self-contained breathing apparatus in confined spaces.

6. Accidental Release Measures :

6.1 Personal precautions , protective equipment, and emergency procedures

None Required

6.2 Environmental precautions

None Required

6.3 Methods and material for containment and cleaning up

Spills can be absorbed by cloth or sawdust, washed away with water & cleaned with sodic products.

6.4 Reference to other sections

Refer & consider section 8. Refer & consider section 13.

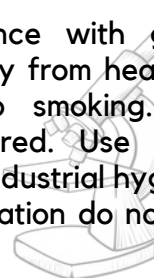

7. Handling and Storage :

7.1 Precautions for safe handling

Handle in accordance with good hygiene and safety practices. Keep away from heat, sparks, open flames, and hot surfaces. - no smoking. use personal protective equipment as required. Use in accordance with good manufacturing and industrial hygiene practices. Use in areas with adequate ventilation do not eat, drink or smoke when using this product.

7.2 Conditions for safe storage, including any incompatibilities

Storage

Keep the product container tightly closed, in a dry, ventilated area. Keep away from potential sources of ignition and protected from light. Maintain limited contact with oxygen.

7.3 Specific end use(s)

No further relevant information is available.

8. Exposure Control / Personal Protection :

Additional information about the design of technical systems

8.1 Control parameters

8.2 Exposure controls

Eye Protection

Hand Protection

Respiratory Equipment

Hygiene Measures

Engineering Measures

No further data; see item 7.

None

Not required as a non-toxic product, however, we still recommend taking precautions by wearing protective eye-wear when handling the product.

Insoluble in Water

9.2 Other information

No further relevant information is available

10. Stability and Reactivity :

10.1 Reactivity

10.2 Chemical stability

10.3 Possibility of hazardous reactions

10.4 Conditions to avoid

No Data

Stable under suggested storage conditions (<20°C).

No dangerous reactions known.

Storage at high temperatures. Do not store above 20°C.

10.5 Incompatible materials

Concentrated acids, alkalis & oxidizing agents.

10.6 Hazardous decomposition products

This product does not decompose under normal conditions. Under fire conditions, the product will produce a mixture of irritating Carbon Dioxide, fumes & smoke.

11. Toxicological Information :

11.1 Information on toxicological effects

Acute toxicity

Primary irritant effect

On the skin

On the eye

Sensitization

Germ cell mutagenicity

Carcinogenicity

Reproductive toxicity

Additional toxicological information

STOT – single exposure

STOT – repeated exposure

Aspiration hazard

Other information

A non-toxic product. For pharmaceutical & cosmetic use only. This product does not carry a microbiological specification as it is sterilised in the refining process. It does not contain any impurities. This product is not included in the list of substances prohibited in cosmetic products or subject to restrictions. It does not contain colorants, preservatives or UV filters (Annex II – VI of EU regulation 1223/2009).

Guidance Notes

15.2 Chemical Safety Assessment

Regulation (EC) No 1907/2006 of the European Parliament and of the council of 18th December 2006. Concerning the registration, evaluation, authorization & restriction of chemicals (REACH), establishing a European Chemicals Agency, amending Directive 199/45/EC and repealing council regulation (EEC) No 793/93 & commission regulation (EC) No 1488/94 as well as council directive 76/769/EEC & commission directive 91/155/ECC, 93/67/ECC, 93/105/EEC & 2000/21/EC (including amendments).

The Chemicals (Hazard Information & Packaging for Supply Regulations 2009 (S.I.2009 No 716).

Classification & labeling of substances & preparations dangerous for supply.

Safety data sheets for substances & preparations.

Workplace exposure limits EH40. CHIP for everyone HSG 108.

Assessment has not been carried out as this is a non-hazardous material according to article 31 of REACH 1907/2006

16. OTHER INFORMATION :

Allergens

Training instructions

Other information

None

Refer to possible hazards before use of this product.

Whilst Evaz International gives the above advice in good faith, it is no intended to be a substitute for customers' own testing to ascertain good safety procedures. These regulations were designed for handling bulk products and to readily identify Toxic & Safety Data. Safety information is under continuous review.
